# TERRACE CONCEPT

The Cuscini Design "Abri Jardin" allows you to enjoy nature and extend summer. Its optional elements allow you to customize it to our own taste. Retractable structure: High resistance to the elements (moisture, rain, wind, sun)  
Heavy-walled aluminum.

Each structure includes sunbrella awning fabric roof. Sunbrella 100% acrylic fabric, durable weather-resistant covering. Made from 100% solution-dyed acrylic fibers, the color is locked deep inside the fabric, offering excellent fade and weather resistance.
